

MARCH

Fairness/Justice

Fairness/Justice – The quality of having an attitude rooted in true respect and appreciation for all persons; treating everyone in a fair way.

Service Learning Projects

- Create a questionnaire to assess the climate in your school. Evaluate the outcome and devise solutions to address the issues.
- Educate yourself on different organizations such as Amnesty International, and the ACLU. Compose a speech or essay to be shared with the student population.

Activities

- Devise a mission statement for your family. For example, “our family treats each member with respect”.
- Have a weekly meeting with family members to discuss any issues or concerns.

Activities

- Lead by example. Are you fair and just with those around you?
- Admit your mistakes and seek to correct them.

Activities

- Explain the reasons for a particular disciplinary action, or family rule.
- Don't allow unkindness in your home.

Words of Wisdom
