Dear Parents,

August 30, 2011

A new communication service throughout Hartford Public Schools called Blackboard Connect is now active. This message service will be a vital tool to improve school and district-wide communication with parents and school system employees.

It is very important that we always have your current telephone numbers and emails on file so that we can ensure that all communication reaches you. Please provide the information below and continue to keep the school up to date with any changes that may occur.

Thank you,

Principal,

Pamela Totten-Alvarado
